

Adoray Does Not Discriminate

Adoray Home Health & Hospice does not exclude people or treat them differently on the basis of race, color, national origin, age, disability or sex.

Adoray provides assistance—without charge and in a timely manner—to people with disabilities and people whose primary language is not English, to help them communicate effectively with us. This assistance includes qualified interpreters and information in alternate formats and languages.

If you need these services, please let your case manager know or call Adoray at 715-629-1888.

If you believe that Adoray has failed to provide reasonable assistance or has discriminated in another way, you can file a complaint with:
