## *Ashes to Ashes*

by Derek Washington

*Ashes to ashes, dust to dust  
Lovers of life, yeast for the leaven  
Ashes to ashes, dust to dust  
Asleep here on earth, waking  
in heaven.*

*Ashes to ashes, dust to dust  
Breathed into clay for laughing  
and loving.  
Ashes to ashes, dust to dust  
We are of earth, turned into heaven.*
